

Chubb Benchmarq® for Professional Services Clients

Appetite Guide

Chubb Benchmarq® offers specialised coverage for lower middle market clients with revenue or declared values of up to AUD \$50 million. This Appetite Guide is an indication only of whether various risk groups are within Chubb's appetite in relation to the Chubb Benchmarq broadform liability and commercial property insurance policies for manufacturing clients.

Professional Services Clients	Broadform Liability	Commercial Property
Solicitors, barristers and other legal services		
Accountants, bookkeepers and tax preparation services		
Architectural services
