

Chubb Benchmarq® for Wholesale Clients

Appetite Guide

Chubb Benchmarq® offers specialised coverage for lower middle market clients with revenue or declared values of up to AUD \$50 million. This Appetite Guide is an indication only of whether various risk groups are within Chubb's appetite in relation to the Chubb Benchmarq broadform liability and commercial property insurance policies for manufacturing clients.

Wholesale Clients	Broadform Liability	Commercial Property	
		With Preferred Fire Protection / Construction	With Non-Preferred Fire Protection / Construction
Automobile and motor vehicle			
Beer and alcoholic drinks	US exports non-preferred		
Books and newspaper			
Brick, stone and construction material

Computers & peripheral equipment			
Electrical equipment, wiring and supplies			
Farm and garden machinery/equipment			
Farm and agricultural supplies	Agricultural chemicals including pesticides and fertilisers not in appetite		

● Within appetite ● Will be considered ● Out of appetite ● Specialised Chubb product

Please note that a green rating indicates that the risk falls within Chubb's appetite, an amber rating suggests that the risk can be considered but may have specific underwriting requirements, and a red rating indicates that the risk is outside of Chubb's appetite and is not target business. A 'Purple' rating means there is another specialised Chubb product available for this type of risk.
