What to Expect - The Process

Before an incident occurs...

Chubb's Environmental Risks policyholders can download the Chubb Environmental Incident Alert app or visit www.chubbeia.net to enrol. Enrolment allows for one-click reporting when an incident occurs.

When an Environmental incident happens...

Online Reporting

Report via the mobile app or online

After clicking "Report an Incident", you will receive a call requesting basic contact information and incident details

Notification to Chubb

Incident details are sent to Chubb's Environmental claims team to fulfil your policy's notification requirements. This will allow for efficient communication of policy response.

Recovery

Once the incident is contained, the Incident Manager will support you in the recovery of your business activities, with the assistance of the experts that you have appointed

Calling to Report

Report by calling your local hotline number

You will be asked for basic contact information and incident details

Incident Response Manager

Incident details will be sent to a local Chubb's Environmental claims team. And you will be contacted by an Incident response Manager who will assist you in coordinating expert assistance as needed; either via Chubb's pre-approved panel or your existing vendors upon your instructions. This may include crisis management, environmental consultants, environmental contractors, legal counsel, and other necessary assistance.

Follow-up

Chubb's specialist panel will then discuss the provision of additional services to assist you with your analysis of the incident to include future remediation, a review for lessons learned and risk mitigation advice.
