# Chubb Target Market Determination

## Important Information

---

This Target Market Determination (**TMD**) is required under section 994B of the Corporations Act 2001 (Cth) and has been prepared by the product issuer, Chubb Insurance Australia Limited (AFSL 239687, ABN 23 001 642 020) (**Chubb**).

This **TMD** is designed to assist customers, distributors and Chubb staff to understand who this product has been designed for and who it is not suitable for.

The TMD identifies triggers for Chubb to review the target market and sets out the conditions and restrictions on distribution of the product described below. It also sets out the reporting obligations of Chubb's distributors. This document is not a Product Disclosure Statement (**PDS**) and is not a summary of the product features or terms of the product.

This document does not take into account any person's individual objectives, financial situation or needs and is not intended to constitute personal advice. Persons interested in acquiring this product should carefully read the Policy Wording and PDS before deciding whether to purchase this product.

This TMD is effective from the date of publication until its replacement or withdrawal.

Where a word is capitalised in this TMD and not otherwise defined, the definition of the word can be found in the Policy Wording and PDS.

### 2. Product Target Market

#### What is the Product?

This Product provides insurance coverage for Equipment ('mobile IT equipment' such as laptops and tablets) used for educational purposes by primary and secondary (kindergarten to year 12) school students against Theft, Accidental Loss and Accidental Damage resulting from attempted Theft.

#### Key covers/attributes

The main benefits of this Product include insurance cover for:

- ✓ Theft, Accidental Loss and Accidental Damage resulting from attempted Theft (subject to the terms of the Policy Wording) during the policy period for mobile IT equipment such as electronic notebooks, laptops or tablets;
- ✓ Repair (for damage resulting from attempted Theft) or replacement of the mobile IT equipment;
- ✓ Up to two (2) times the sum insured for the mobile IT equipment.

#### Key exclusions

This Product excludes claims arising from (among other things):

- ✗ Accidental Damage (unless the damage was caused by Theft or attempted Theft);
- ✗ Terrorism;
- ✗ War and confiscation (for example, nationalisation of assets);
- ✗ Wear and tear;
- ✗ Loss of data (other than a standard manufacturer installed operating system);
- ✗ Consequential loss of any kind;
- ✗ Fire;

Note: fire is excluded under this policy but may be covered for no additional charge under a separate Master Fire Policy underwritten by Chubb where Protecsure Pty Ltd is the policyholder.

### Customers the Product was designed for

This Product was designed for:

- ✓ Parents of school students from Kindergarten to Year 12 attending schools who require theft insurance for mobile IT equipment used by the students (**parents of school students**); and
- ✓ Certain approved schools who require theft insurance for mobile IT equipment used by the students (**schools**).

### Classes of Customers

The class of customers for whom this Product is targeted can be categorised as:

- ✓ Parents of school students.
- ✓ Schools that own their equipment and provide it to their students.

### Customer's likely objectives, financial situation, and needs

<b>Objectives</b>	<p>The likely objective of parents of school students and schools is to protect children's/ student's mobile IT equipment from financial loss arising from Theft while the mobile IT equipment is:</p> <ul style="list-style-type: none"><li>• at school;</li><li>• in transit between home and school; and</li><li>• at home.</li></ul>
<b>Financial situation</b>	<p>The likely financial situation for consumers in this target market is broad but would most likely include parents of school students and schools who have the financial capacity to:</p> <ul style="list-style-type: none"><li>• purchase the mobile IT equipment for their children/ students; and</li><li>• pay the applicable premiums and excess for the insurance Product.</li></ul>
<b>Needs</b>	<p>The target market includes parents of school students in kindergarten to year 12 who wish to have their child's mobile IT equipment repaired or replaced in the event of:</p> <ul style="list-style-type: none"><li>• Theft; and/or</li><li>• Accidental loss (in certain circumstances);</li><li>• Accidental Damage caused by attempted Theft.</li></ul>

### Customers the Product was not designed for

This Product is not suitable for:

- ✗ Parents/guardians of school students whose child attends a school that is:
  - a school who is not approved by Chubb
- ✗ Non-mobile IT equipment (such as a desktop computer) used by the student as part of their school learning experience;

- ✗ Mobile IT equipment that is not an iPad/ (or similar tablet device) or a laptop/Macbook;
- ✗ Other learning institutions for non-school aged students (years kindergarten to 12) , such as TAFE, college, or university;
- ✗ Businesses for their mobile IT equipment (except approved schools that own the IT equipment).

### Why Product is consistent with the Target Market

Chubb views that the Product is consistent with the target market as the target market comprises parents of school students (Kindergarten to Year 12), and schools of students of those ages, and the Product provides cover for IT equipment used by those students as part of their school learning experience. It is therefore likely that the Product will meet the needs, or go towards meeting the needs, of those in the target market.
