If **Damage** resulting in the actual or constructive total loss (as defined in this clause) of such property and the **Residual Value** exceeds the cost of replacement of such property with similar property in a condition equal to, but not better or more extensive than, its condition when new, then Reinstatement Provisions clauses 5.5 and 5.7, and clause 6. Extra Reinstatement Costs apply, and the Basis of Settlement is:

- (ii) the current **Market Value** of the property immediately before the **Damage** or the **Residual Value**, whichever is the greater; less
- (iii) any salvage value.

- (m) Unoccupied buildings (if not excluded) awaiting demolition or upon which demolition has started:

If the actual demolition costs are increased in consequence of the **Damage**, **Chubb** will also pay the increased demolition costs.

4.4 Notwithstanding Basis of Settlement clauses 4.2 and 4.3, **You** may elect to claim the **Depreciated Value** of any **Damaged Property Insured**. If **You** do so, **Chubb** will:

- 5.1 This clause 5. Reinstatement Provisions applies to buildings, **Machinery**, plant and all other property and contents, other than those specified in clause 4.3 of The Basis of Settlement.
- 5.2 The basis upon which the amount payable is to be calculated is the reinstatement cost of the **Damaged Property Insured** at the time of its reinstatement.
- 5.3 For the purposes of this clause 5, “reinstatement” means –
- (a) Where the **Damage to Property Insured** cannot be repaired:
- (i) in the case of a building, its rebuilding; or
- (ii) in the case of **Property Insured** other than a building, its replacement with similar property;
- in either case in a condition equal to, but not better or more extensive than, its condition when new.
- (b) Where the **Damage to Property Insured** can be repaired: the repair of the **Damage** and the restoration of the **Damaged** portion of the **Property Insured** to a condition substantially the same as, but not better or more extensive than, its condition when new.

The reinstatement cost under clauses 5.3 (a) and (b) above includes costs of re-commissioning plant and systems.

5.4 Reinstatement on Other Sites

Reinstatement may be carried out wholly or partially upon another site or sites and in any manner suitable to **Your** requirements, provided that **Chubb's** liability is not increased and is limited to the actual costs incurred.

5.5 Reinstatement as Soon as Reasonably Practicable

Reinstatement must start and be carried out as soon as reasonably practicable. If not, **Chubb** will not be liable to:

- (a) make any payment greater than the **Depreciated Value** of the **Property Insured** at the time of the happening of the **Damage**; or
- (b) assume any increased liability under Section 2 Business Interruption of this **Policy**.

However, this clause 5.5 does not apply to any delay in undertaking such work due to circumstances beyond **Your** control, including planning approval, inquiries by statutory or other authorities, and the availability of labour and materials. Nonetheless, this **Policy's** Limits of Liability and Sub-Limits of Liability will not be increased by any such delay.

5.6 Limitation on Reinstatement Cost for Partial Damage

When any **Property Insured** to which this clause 5. Reinstatement Provisions applies is partially **Damaged**, **Chubb's** liability will not exceed the cost which **Chubb** could have been called upon to pay for reinstatement if such property had been totally destroyed.

5.7 Reinstatement Cost Not Paid Until Incurred

No payment beyond **Depreciated Value** is to be made until **You** have incurred a sum equal to the reinstatement cost. Reinstatement costs may be "incurred" even if **You** have not yet paid such costs, such as where **You** enter into a contract with a builder or sign a purchase order for replacement property. If **You** reinstate or replace any **Damaged Property Insured** at a cost which is:

- (a) less than the reinstatement cost (as determined by clauses 5.2 and 5.3, above), but
- (b) greater than the value of such **Property Insured** at the time **Damage** occurred,

then the cost so incurred will be deemed the reinstatement cost.

Notwithstanding this clause 5.7, **Chubb** may make progress payments under Condition 24. Progress Payments under Conditions for All Sections.

5.8 You May Purchase Existing Building

You will not be bound to reinstate any insured building destroyed, but may, at **Your** option, purchase an existing building or buildings to replace the destroyed building. However, **Chubb's** liability will be limited to the cost that would have been incurred if the destroyed building had been reinstated in accordance with sub-clause 5.3 (a) above, including any cost which would have been payable under clause 6. Extra Reinstatement Costs in respect of such reinstatement.

5.9 When You May Reinstate Property Insured

If **You** obtain **Chubb's** consent (which will not be unreasonably withheld, delayed or conditioned), to reinstate **Damaged Property Insured**, **Chubb** will pay the cost of such reinstatement necessarily and reasonably incurred. However, **Chubb's** liability will not exceed the amount which would otherwise have been payable had such reinstatement been carried out by outside contractors.

5.10 Abandoned Undamaged Portion of a Building

If a **Damaged** building is reinstated on another site because of the determination by any government, local government or statutory authority, then the abandoned undamaged portion of such building, including foundations and services, will be deemed destroyed. **Chubb's** liability in respect of the abandoned undamaged portion of such building is limited to the "Abandoned Undamaged Portion of a Building" Sub-Limit of Liability in the **Schedule**.

If the presence of such abandoned undamaged portion of the building increases the sale value of the original site, the increase in sale value (as agreed between **You** and **Chubb**) is to be regarded as salvage and that amount:

- (a) will be paid by **You** to **Chubb** upon completion of any sale of the site; or
- (b) will be deducted from the total amount otherwise payable by **Chubb** under this **Policy**,

whichever occurs later. Such amount is not part of, and is separate from, the "Abandoned Undamaged Portion of a Building" Sub-Limit of Liability.

5.11 Floor Space Ratio Index (Plot Ratio)

If a determination by any government, local government or statutory authority makes reinstatement of a building subject to a reduced floor space ratio index, **Chubb** will pay in, addition to the reinstatement cost, the difference between:

- (a) the actual reinstatement cost with the reduced floor space ratio index; and
- (b) the reinstatement cost had a reduced floor space ratio index not applied.

In calculating the amount payable under this clause, any payment made by the **Chubb** will include amounts payable under clause 6. Extra Reinstatement Costs. Any amount payable under this clause will be paid upon completion of the rebuilding works as certified by the architect acting on **Your** behalf.

5.12 Reduction in Land Value

Notwithstanding Property Exclusion 9 and Perils Exclusion 10, if **Damage** occurs to **Property Insured** that is building(s) and other improvements, **Chubb** will pay –

- (a) if any government, local government or statutory authority absolutely refuses to allow the reconstruction of the building(s) and other improvements: the difference between the **Land Value** before and after the **Damage**; or
- (b) if any government or statutory authority only allows partial reconstruction of the building(s) and other improvements: the difference between the **Land Value** after such reconstruction and the **Land Value** before the **Damage**;

less any compensation paid for the events referred to in (a) or (b) above.

Chubb will make payment following the ruling of any government, local government or statutory authority resulting in the reduction in **Land Value** and following completion of the reinstatement.

This cover is limited to the “Reduction in Land Value” Sub-Limit of Liability in the **Schedule**.

5.13 Undamaged Ancillary or Peripheral Equipment

If plant or **Machinery** is destroyed and its ancillary or peripheral equipment is not destroyed but is rendered superfluous upon replacement of the destroyed plant or **Machinery**, the ancillary or peripheral equipment will be deemed destroyed. The salvage value will be:

- (a) payable to **Chubb** by **You** upon completion of any sale of such ancillary or peripheral equipment, or
- (b) deducted from the total amount otherwise payable by **Chubb** under this **Policy**,

whichever occurs later.

6. Extra Reinstatement Costs

- 6.1 For buildings, **Machinery**, plant and all other property and contents, other than those specified in clause 4.3 under The Basis of Settlement in Section 1 Property Insurance, **Chubb** will pay the extra reinstatement costs (including demolition, dismantling or altering) of **Damaged Property Insured** necessarily incurred by **You** to comply with the requirements of any statute or regulation or any by-law or regulation of any local government or other statutory authority that is imposed after the **Damage** occurs.
- 6.2 The amount recoverable under this clause does not include additional costs incurred to comply with any statute or regulation or by-law or regulation of any local government or other statutory authority with which **You** were required to comply before the **Damage**.
- 6.3 If the reinstatement cost of **Damaged Property Insured** is less than fifty percent (50%) of that which would have been the reinstatement cost if such **Property Insured** had been destroyed, the amount payable under this clause is limited to the greater of:
- (a) the extra cost necessarily incurred in reinstating only that portion **Damaged**; and
 - (b) the Sub-Limit of Liability in the **Schedule** for “Extra Reinstatement Costs”.
- 6.4 Condition 1. Underinsurance, in the Section 1 Conditions, will not apply to amounts payable under this clause.

7. Heritage Buildings

- 7.1 If **You** choose to reinstate a **Heritage Building** that was subject to a **Heritage Conservation Ordinance** at the same **Situation**, **Chubb** will pay additional costs that are necessarily and reasonably incurred to comply with the **Heritage Conservation Ordinance** for the **Heritage Building**, or part thereof, that was subject to such ordinance when **Damage** occurred.
- 7.2 If **You** did not disclose the **Heritage Conservation Ordinance** to **Chubb** before this **Policy** commenced then, if permitted by law, **Chubb’s** liability may be reduced to the extent that its interests have been prejudiced.
- 7.3 For a **Heritage Building** that is not subject to a **Heritage Conservation Ordinance**, reinstatement is to be consistent with the criteria applied to recently constructed buildings of a similar use and size, using construction methods and materials in general usage in the construction industry in Australia at the time of reinstatement, but maintaining as much of the original character of the building as is reasonably practicable.
- 7.4 **Chubb** will not pay costs incurred to comply with any statute or regulation or any by-law or regulation of any local government or other statutory authority regulating:
- (a) the actual or suspected presence of **Pollution**; or
 - (b) asbestos material removal, unless the asbestos is itself **Damaged** by a peril or event that is not excluded by this **Policy**.

Section 1 Conditions

1. Underinsurance

1.1 **You** are required to declare values for **Buildings, Contents and Stock** that are calculated in accordance with the applicable Basis of Settlement clauses:

- (a) as at the start of the **Period of Insurance**; and,
- (b) if such **Property Insured** is acquired during the **Period of Insurance**, as soon as reasonably practicable thereafter.

For the purposes of this condition, **Buildings, Contents and Stock** each represent a category of **Property Insured**.

1.2 If the declared value of a category of **Property Insured** at the **Situation** is less than eighty percent (80%) of the actual reinstatement cost of that category of **Property Insured** (as calculated in accordance with the applicable Basis of Settlement clauses), then the most **Chubb** will pay for **Damage to Property Insured** of that category is calculated by the following formula:

$$(X / Y) * C$$

Where:

- (a) X is **Your** declared value of that category of **Property Insured** at that **Situation**;
- (b) Y is eighty percent (80%) of the actual value of that category of **Property Insured** at that **Situation**, calculated in accordance with the applicable Basis of Settlement clauses at the start of the **Period of Insurance**; and
- (c) C is the incurred reinstatement cost of **Damaged Property Insured** of that category at that **Situation** after the application of the relevant **Deductible**, any policy conditions as appropriate and any salvage.

1.3 Example –

You declare the value of **Buildings** at a **Situation** as \$1,800,000 and there is only one building at the **Situation**.

However, the actual value of **Buildings** calculated in accordance with the applicable Basis of Settlement clauses at the start of the **Period of Insurance** is \$2,400,000.

Eighty percent (80%) of \$2,400,000 (i.e. the actual reinstatement cost of **Buildings** calculated in accordance with the applicable Basis of Settlement clauses as at the start of the **Period of Insurance**) is \$1,920,000. This Underinsurance Condition therefore applies because the value of **Buildings** declared by **You** (i.e. \$1,800,000) is less than eighty percent (80%) of the actual reinstatement cost of **Buildings** calculated in accordance with the applicable Basis of Settlement clauses as at the start of the **Period of Insurance** (i.e. \$1,920,000).

If the building suffers **Damage** and the reinstatement cost is \$1,000,000 after application of the relevant **Deductible**, any policy conditions as appropriate and any salvage, then the maximum amount **Chubb** will pay **You** is:

$$(\$1,800,000 / \$1,920,000) \times \$1,000,000 = \$937,500$$

1.4 This Underinsurance Condition does not apply:

- (a) if the reinstatement cost of the **Damaged Property Insured** at the **Situation** does not exceed ten percent (10%) of the actual reinstatement cost of that category of **Property Insured**

calculated in accordance with the applicable Basis of Settlement clauses at the start of the **Period of Insurance**;

- (b) to any claim for **Burglary** and **Theft** (other than **Money**), **Money** or **Customers' Goods**, for which Sub-Limits of Liability are stated in the **Schedule**; or
- (c) to **Property Insured** which has been insured under this **Policy** for the value stated in a valuation prepared by an **Approved Valuer** not more than one (1) year before the **Period of Insurance** starts.

2. Branded Goods or Merchandise

Any branded goods or merchandise covered by this **Policy** will not be disposed of by sale for salvage without **Your** consent. If such branded goods or merchandise are not disposed of by sale, then the value of the salvage will be the **Market Value** of the goods or merchandise after the brands, labels or names have been removed by **You** or on **Your** behalf.

Section 2 Business Interruption

1. Cover for Damage to Property Insured at the Situation

Chubb will indemnify **You** against loss resulting from interruption of or interference with the **Business** during the **Indemnity Period** in consequence of **Damage** during the **Period of Insurance** to **Property Insured** at the **Situation**, subject to:

- 1.1 the **Property Insured** being insured against such **Damage** under Section 1 Property Insurance, loss arising out of **Damage** to any **Boiler** or **Pressure Vessel** in the circumstances described in Perils Exclusion 6 paragraphs (a) through (g) being excepted;
- 1.2 **Chubb** admitting liability under Section 1 Property Insurance in respect of such **Damage**, other than indemnity not applying solely because of the application of a **Deductible**;
- 1.3 the Limits of Liability and Sub-Limits of Liability in the **Schedule**;
- 1.4 indemnity being calculated in accordance with the applicable Basis of Settlement in Section 2 Business Interruption of this **Policy**; and
- 1.5 **You** bearing the applicable **Deductible** shown in the **Schedule**. **Chubb** will subtract the **Deductible** from the amount **Chubb** is liable to pay for any claim.

2. Special Damage Covers

Chubb will indemnify **You** against loss resulting from interruption of or interference with the **Business** during the **Indemnity Period** in consequence of **Damage** during the **Period of Insurance** to the property described in clauses 2.5 (a) through (f), subject to:

- 2.1 the **Damage** occurring to property and in circumstances that would be indemnified under Section 1 Property Insurance if such property was **Property Insured**, unless specifically excepted in clauses 2.5 (a) to (f);
- 2.2 the Limits of Liability and Sub-Limits of Liability in the **Schedule**. Insurance is only provided for clauses 2.5 (a) to (f) if an amount is stated in the **Schedule** against the corresponding heading;
- 2.3 indemnity being calculated in accordance with the applicable Basis of Settlement in Section 2 Business Interruption of this **Policy**; and
- 2.4 **You** bearing the applicable **Deductible** shown in the **Schedule**. **Chubb** will subtract the **Deductible** from the amount **Chubb** is liable to pay for any claim.
- 2.5 The Special Damage Covers:
 - (a) Property Insured Outside of Situation

Damage to any **Property Insured** while:

 - (i) stored at any storage facility within Australia; or
 - (ii) at any location in Australia,

where **You** are undertaking work for the purpose of the **Business** or where any process or work is being carried out by others to the **Property Insured**;

(b) Utilities

Damage to any land-based premises or property in Australia of any company or authority producing, supplying, providing or delivering electricity, gas, water, sewerage or communication services to **Your Business**;

(c) Registered Vehicles

Damage to registered vehicles or trailers whilst such vehicles or trailers are at the **Situation**, notwithstanding Property Exclusion 5. However, this **Policy** does not insure loss resulting from **Damage** to such vehicles or trailers whilst they are being used on any public highway or thoroughfare.

(d) Prevention of Access

Damage to property within five (5) kilometres of the **Situation** which prevents or hinders the use of or access to the **Situation**, whether the **Situation** or any **Property Insured** is **Damaged** or not;

(e) Diminution of Trade

Damage to property in any complex of which the **Situation** forms a part or is contained, which results in a cessation or diminution of trade of the **Business** due to the temporary falling away of potential customers, whether the **Situation** or **Property Insured** is **Damaged** or not;

(f) Suppliers' and Customers' Premises in Australia

Damage to property at:

- (i) the premises of a **Direct Supplier** in Australia, other than those suppliers described in clause 2.5 (b) above, where any of the goods or services used by **You** are produced, assembled, reprocessed, stored or provided; and
- (ii) the premises of a **Direct Customer** in Australia to which **You** provide goods or services.

3. The Basis of Settlement

You are only insured for the Basis of Settlement Items below if they are shown in the **Schedule** as 'Insured' or with a Limit of Liability or Sub-Limit of Liability.

Item 1 - Gross Profit

3.1 **Chubb** will indemnify **You** for actual loss of **Gross Profit**, calculated as follows –

(a) in respect of reduction in **Turnover**:

the sum produced by applying the **Rate of Gross Profit** to the amount by which the **Turnover** during the **Indemnity Period**, in consequence of the **Damage**, falls short of the **Standard Turnover**;

(b) in respect of increase in cost of working:

the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **Turnover** which, but for that expenditure, would have taken place during the **Indemnity Period** in consequence of the **Damage** but not exceeding the sum produced by applying the **Rate of Gross Profit** to the amount of the reduction thereby avoided;

less any sum saved during the **Indemnity Period** in respect of such of the charges and expenses of the **Business** payable out of **Gross Profit** as may cease or be reduced in consequence of the **Damage**.

- 3.2 Underinsurance: the indemnity under clause 3.1 immediately above will be proportionately reduced if the estimated value of **Gross Profit** declared at the start of the **Period of Insurance** is less than eighty per cent (80%) of the sum produced by applying the **Rate of Gross Profit** to the **Standard Turnover** which would have been achieved if the **Damage** had occurred at the start of the **Period of Insurance**.
- 3.3 Clause 3.2 immediately above does not apply if:
- (a) the amount of the loss does not exceed ten percent (10%) of **Your** declaration of value of **Gross Profit** at the start of the **Period of Insurance**; or
 - (b) **Your** declaration of **Gross Profit** at the start of the **Period of Insurance** has been stated in a valuation prepared by a qualified valuer agreed upon by **You** and **Chubb** at the start of the **Period of Insurance**.

Item 2 - Gross Revenue

- 3.4 **Chubb** will indemnify **You** for loss of **Gross Revenue**, calculated as follows –

- (a) in respect of reduction in **Gross Revenue**:
the amount by which the **Gross Revenue** during the **Indemnity Period**, in consequence of the **Damage**, falls short of the **Standard Gross Revenue**;
- (b) in respect of increase in cost of working:
the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of **Gross Revenue** which, but for that expenditure, would have taken place during the **Indemnity Period** in consequence of the **Damage** but not exceeding the amount of the reduction in **Gross Revenue** avoided;

less any sum saved during the **Indemnity Period** in respect of such charges and expenses of the **Business** as may cease or be reduced in consequence of the **Damage**.

- 3.5 Underinsurance: the indemnity under clause 3.4 immediately above will be proportionately reduced if the estimated value of **Gross Revenue** declared at the start of the **Period of Insurance** is less than eighty percent (80%) of the **Standard Gross Revenue**.
- 3.6 Clause 3.5 immediately above does not apply if:
- (a) the amount of the loss does not exceed ten percent (10%) of the estimated value of **Standard Gross Revenue** declared at the start of the **Period of Insurance**; or
 - (b) **Your** declaration of **Gross Revenue** at the start of the **Period of Insurance** has been stated in a valuation prepared by a qualified valuer agreed upon by **You** and **Chubb** at the start of the **Period of Insurance**.

Item 3 - Gross Rentals

- 3.7 **Chubb** will indemnify **You** for loss of **Gross Rentals**, calculated as follows –

- (a) in respect of reduction in **Gross Rentals**:
the amount by which the **Gross Rentals** during the **Indemnity Period**, in consequence of the **Damage**, falls short of the **Standard Gross Rentals**;

- (b) in respect of increase in cost of working:

the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **Gross Rentals** which but for that expenditure would have taken place during the **Indemnity Period** in consequence of the **Damage**, but not exceeding the loss of **Gross Rentals** avoided;

less any sum saved during the **Indemnity Period** in respect of such charges and expenses of the **Business** as may cease or be reduced in consequence of the **Damage**.

- 3.8 Underinsurance: the indemnity under clause 3.7 immediately above will be proportionately reduced if the estimated value of **Gross Rentals** declared at the start of each **Period of Insurance** is less than eighty percent (80%) of the **Standard Gross Rentals**.
- 3.9 Clause 3.8 immediately above does not apply if:
- (a) the amount of the loss does not exceed ten percent (10%) of the estimated value of **Standard Gross Rentals** declared at the start of the **Period of Insurance**; or
 - (b) **Your** declaration of **Gross Rentals** at the start of the **Period of Insurance** has been stated in a valuation prepared by a qualified valuer agreed upon by **You** and **Chubb** at the start of the **Period of Insurance**.

Item 4 – Payroll

- 3.10 When **Payroll** is not insured under **Gross Profit** or **Gross Revenue**, **Chubb** will indemnify **You** for loss in **Payroll**, calculated as follows:

- (a) in respect of reduction of **Turnover**:
 - (i) during the portion of the **Indemnity Period** beginning with the occurrence of the **Damage** and ending not later than the number of weeks thereafter stated in the **Schedule** against “Payroll Limits”: the sum produced by applying the **Rate of Payroll** to the **Shortage in Turnover** during the said portion of the **Indemnity Period**, less any saving during the said portion of the **Indemnity Period**, through reduction in consequence of the **Damage** in the amount of **Payroll** paid.
 - (ii) during the remaining portion of the **Indemnity Period**: the sum produced by applying the **Rate of Payroll** to the **Shortage in Turnover** during the said remaining portion of the **Indemnity Period**, less any saving during the said remaining portion of the **Indemnity Period**, through reduction in consequence of the **Damage** in the amount of **Payroll** paid, but not exceeding the sum produced by applying the percentage of the **Rate of Payroll** specified in the **Schedule** to the **Shortage in Turnover** during the said remaining portion of the **Indemnity Period**, increased by such amount as is deducted for savings under the terms of clause (a)(i).

Note: At **Your** option, the number of weeks referred to in clause (a)(i) above may be increased to the number of weeks stated in the **Schedule** against “Payroll Limits” beside the heading “Consolidation Period” provided that the amount arrived at under clause (a)(ii) does not exceed such amount as is deducted under clause (a)(i) for savings effected during the said increased number of weeks.

- (b) in respect of increase in cost of working:

so much of the additional expenditure described in clause (b) of Item 1 – Gross Profit or clause (b) of Item 2 – Gross Revenue of Section 2 Business Interruption as exceeds the amount payable under such clause, but not more than the additional amount which would have been payable in

respect of **Shortage in Turnover** under clauses (a)(i) and (ii) of this item had such expenditure not been incurred.

- 3.11 Underinsurance: the indemnity under clause 3.10 immediately above will be proportionately reduced if the **Insured Payroll** is less than eighty per cent (80%) of the amount produced by applying the Payroll Limits stated in the **Schedule** to the amount produced by applying the **Rate of Payroll** to the **Standard Turnover** which would have been achieved if the **Damage** had occurred at the start of the **Period of Insurance**.
- 3.12 Clause 3.11 immediately above does not apply if:
- (a) the amount of the loss does not exceed ten per cent (10%) of the estimated value of **Insured Payroll** declared at the start of the **Period of Insurance**; or
 - (b) **Your Insured Payroll** has been stated in a valuation prepared by a qualified valuer agreed upon by **You** and **Chubb** at the start of the **Period of Insurance**.

Item 5 - Additional Severance Pay

- 3.13 **Chubb** will indemnify **You** for additional expenditure beyond that recoverable under clause (a) of Item 4 – Payroll of Section 2 Business Interruption as **You** are obliged or have agreed to pay under industrial awards, determinations, decisions or agreements for severance pay or instead of notice to employees whose services are terminated during the **Indemnity Period** in consequence of the **Damage**.

Item 6 - Additional Increase in Cost of Working

- 3.14 **Chubb** will indemnify **You** for additional increase in cost of working not otherwise recoverable under Section 2 Business Interruption of this **Policy** that is necessarily and reasonably incurred during the **Indemnity Period** in consequence of the **Damage** for the purpose of:
- (a) avoiding or diminishing reduction in loss resulting from the interruption of or interference with the **Business**; and
 - (b) resuming or maintaining normal **Business** operations and services.

Item 7 - Claim Preparation Costs

- 3.15 **Chubb** will indemnify **You** for reasonable professional fees and expenses incurred or payable by **You**, and not otherwise recoverable, for preparation of claims:
- (a) under Section 1 Property Insurance and Section 2 Business Interruption of this **Policy**; and
 - (b) under Section 2 Business Interruption of this **Policy** only.

However, such fees and expenses are not indemnified for the preparation of claims under Section 1 Property Insurance only.

Item 8 - Rent Receivable

- 3.16 **Chubb** will indemnify **You** for loss of rent receivable, including amounts payable by the tenant as outgoings in accordance with the rental agreement or payable by the tenant for services rendered, calculated as follows –

- (a) the amount by which rent (including amounts payable as outgoings or for services rendered) received or payable during the **Indemnity Period** falls short of the amount which would have been received or paid during that period had the **Damage** not occurred, plus
- (b) additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of rent (including amounts for services rendered and recoverable expenses), less
- (c) any sum saved during that period in respect of the charges or expenses payable out of rent as may cease or be reduced in consequence of the **Damage**.

Item 9 - Rent Payable

- 3.17 **Chubb** will indemnify **You** for rent and other expenses payable and insurable by **You** in accordance with the terms of any lease agreement. **Chubb** will pay such sum as **You** are legally liable to pay and the lessor is legally entitled to receive during the **Indemnity Period** under the terms of the lease.

Item 10 - Contractual Damages

- 3.18 **Chubb** will indemnify **You** against damages for breach of contract. For this indemnity, **Chubb** will pay the sum(s) **You** are legally liable to pay in discharge of damages incurred in consequence of **Damage** to **Property Insured** for non-completion or late completion of orders, inability to meet contract specifications or cancellation of orders.

Item 11 - Accounts Receivable

- 3.19 **Chubb** will indemnify **You** for loss sustained in respect of all outstanding **Accounts Receivable** if **You** are unable to effect collection as a direct result of **Damage** to physical records of **Accounts Receivable**.
- 3.20 **Chubb** will also pay:
- (a) interest charged on any bank loan required in consequence of such impaired collections, or for non-bank loans, interest charges at a rate commensurate with the market rate charged for commercial loans, pending repayment of such amounts rendered uncollectible in consequence of the **Damage**;
 - (b) interest lost by **You** in consequence of such impaired collections;
 - (c) additional expenditure necessarily and reasonably incurred in tracing and establishing the amounts of **Accounts Receivable**; and
 - (d) collection expenses greater than normal collection costs, incurred in consequence of the **Damage**.
- 3.21 Where there is proof that a loss insured by this **Policy** has occurred, but **You** cannot accurately establish the total amount of **Accounts Receivable** outstanding at the date of **Damage**, such amount will be calculated in accordance with the following four steps:
- (a) Determine the total amount of **Accounts Receivable** outstanding on the last working day of the fiscal month which ended twelve (12) months before the beginning of the month in which the **Damage** occurs.
 - (b) Calculate the average increase or decrease in the monthly total amounts of **Accounts Receivable** outstanding on the last working day of each of the twelve (12) months immediately preceding the month in which **Damage** occurs.

- (c) The amount determined under clause 3.21 (a) above, increased or decreased by the percentage calculated in accordance with clause 3.21 (b) above is to be deemed the total amount of **Accounts Receivable** outstanding at the time and date of the **Damage**.
- (d) The amount determined under clause 3.21 (c) above is to be adjusted as may be necessary to provide for any demonstrable variance from the amount so determined occurring before but during the month in which the **Damage** occurs; due consideration also being given to normal monthly trends in receipts.

3.22 The total amount of **Accounts Receivable**, however established, is to be reduced by:

- (a) the amount of such **Accounts Receivable** evidenced by records not lost or **Damaged**, or otherwise established or collected by **You**; and
- (b) an amount to provide for doubtful debts calculated in accordance with Australian accounting standards.

Section 2 Conditions

Gross Profit, Gross Revenue or Gross Rentals

If an amount is shown in the **Schedule** against **Gross Profit, Gross Revenue** or **Gross Rentals**, the following conditions apply.

1. Turnover/Gross Revenue/Gross Rentals Elsewhere After Damage

During the **Indemnity Period**, if **Your Business** is conducted elsewhere than at the **Situation**, the monies paid or payable in respect of activities will be accounted for in calculating the **Turnover/Gross Revenue/Gross Rentals** (as applicable) during the **Indemnity Period**.

2. Adjustments Clause

Adjustments will be made to the **Rate of Gross Profit, Standard Turnover, Standard Gross Revenue, Standard Gross Rentals** and **Rate of Payroll** as may be necessary to provide for the trend of the **Business** and for variations in or other circumstances affecting the **Business** either before or after the date of the **Damage** or which would have affected the **Business** had the **Damage** not occurred, so that the adjusted figures will represent as nearly as may be reasonably practicable the results which, but for the **Damage**, would have been obtained during the relative period after the **Damage** occurred.

Gross Profit

The following conditions apply if an amount is shown in the **Schedule** against **Gross Profit**.

1. Accumulated Stocks of Finished Goods

In adjusting any loss, account is to be taken, and equitable allowance made if any **Shortage in Turnover** due to the **Damage** is postponed by reason of the **Turnover** being temporarily maintained from accumulated stocks of finished goods.

2. Business Conducted in Departments

If the **Business** is conducted in departments or **Business** units of which the independent trading results are ascertainable, clauses (a) and (b) of Item 1 - Gross Profit and Item 4 - Payroll of The Basis of Settlement are to apply separately to each department or **Business** unit affected by the **Damage**.

3. Reduced Margin

If, in consequence of **Damage** giving rise to a claim under this **Policy**, **Turnover** is maintained but at a reduced **Rate of Gross Profit**, an equitable allowance will be made for the loss of **Gross Profit** resulting from an increase in the ratio to **Turnover** of stock usage or purchases (adjusted for stock variations). No allowance will be made for an increase in the ratio to **Turnover** of any other uninsured working expenses.

4. Salvage Sale

If **Damage** gives rise to a claim under Section 2 Business Interruption of this **Policy** and **You** hold a salvage sale during the **Indemnity Period**, then:

(a) Clause (a) of Item 1 **Gross Profit** of The Basis of Settlement is amended as follows:

*“(a) In respect of reduction in **Turnover***

*The sum produced by applying the **Rate of Gross Profit** to the amount by which the **Turnover** during the **Indemnity Period** (less the **Turnover** for the period of the salvage sale), in consequence of the **Damage** falls short of the **Standard Turnover**, from which is to be deducted the **Gross Profit** actually earned during the period of the salvage sale.”*

- (b) The definition of **Shortage in Turnover** is amended as follows:

*“**Shortage in Turnover** means the amount by which the **Turnover** during a period (less the **Turnover** for the period of the salvage sale), in consequence of the **Damage**, falls short of the part of the **Standard Turnover** which relates to that period, from which is to be deducted the **Payroll** paid out of the proceeds of the salvage sale.”*

5. Turnover/Output Alternative

If **You** and **Chubb** agree, the term **Output** may be substituted for the term **Turnover**.

If the term **Output** is used, then:

- (a) the ‘Turnover/Gross Revenue/Gross Rentals Elsewhere After Damage’ condition under the heading ‘Gross Profit, Gross Revenue or Gross Rentals’ is amended to read as follows:

*“If during the **Indemnity Period** goods are to be manufactured or processed other than at the **Situation** for the benefit of the **Business**, either by **You** or by others on **Your** behalf, the sale or invoice value of the goods so manufactured or processed are to be brought into account in arriving at the **Output** during the **Indemnity Period**.”*

- (b) the Accumulated Stocks condition under the heading ‘Gross Profit’ is amended to read as follows:

*“In adjusting any loss under this Section 2 Business Interruption, account is to be taken and equitable allowance made if any **Shortage in Output** due to the **Damage** is postponed by reason of the **Output** being temporarily maintained from accumulated stocks.”*

6. Adjustment for New Businesses

If **Damage** occurs at the **Situation** before the end of the **Business**’ first trading year, the following definitions apply for Section 2 Business Interruption of this **Policy**:

- (a) *Rate of Gross Profit*

Rate of Gross Profit means the rate of **Gross Profit** earned on the **Turnover** during the period between the start of the **Business** and the date of the **Damage**.

- (b) *Standard Turnover*

Standard Turnover means the proportional equivalent, for a period equal to the **Indemnity Period**, of the **Turnover** realised during the period between the start of the **Business** and the date of the **Damage**.

- (c) *Rate of Payroll*

Rate of Payroll means the rate of **Payroll** to **Turnover** during the period between the start of the **Business** and the date of the **Damage**.

Gross Revenue

The following condition applies if an amount is shown in the **Schedule** against **Gross Revenue**.

1. Adjustment for New Businesses

If **Damage** occurs at the **Situation** before the end of the **Business**’ first trading year, the following definitions apply for Section 2 Business Interruption of this **Policy**:

(a) *Standard Gross Revenue*

Standard Gross Revenue means the proportional equivalent, for a period equal to the **Indemnity Period**, of the **Gross Revenue** realised during the period between the start of the **Business** and the date of the **Damage**.

Gross Rentals

The following condition applies if an amount is shown in the **Schedule** against **Gross Rentals**.

1. Adjustment for New Businesses

If **Damage** occurs at the **Situation** before the end of the **Business**' first trading year, the following definitions apply for Section 2 Business Interruption of this **Policy**:

(a) *Standard Gross Rentals*

Standard Gross Rentals means the proportional equivalent, for a period equal to the **Indemnity Period**, of the **Gross Rentals** realised during the period between the start of the **Business** and the date of the **Damage**.

Professional Services Benefits

The Professional Services Benefits, below, extend and vary cover provided by this **Policy**. The Professional Services Benefits are subject to:

- (a) the Limits of Liability and Sub-Limits of Liability in the **Schedule**;
- (b) the Exclusions for All Sections, unless specifically excepted;

- (e) for interruption of or interference with the **Business** during the **Indemnity Period** in consequence of **Damage** during the **Period of Insurance** to **Property Insured** at the **Situation**,
 - (i) such **Property Insured** being insured against such **Damage** under Section 1 Property Insurance, loss arising out of **Damage** to any **Boiler** or **Pressure Vessel** in the circumstances described in Perils Exclusion 6 paragraphs (a) through (g) being excepted; and
 - (ii) **Chubb** admitting liability under Section 1 Property Insurance in respect of such **Damage**, other than indemnity not applying solely because of the application of a **Deductible**;
- (f) for interruption of or interference with the **Business** during the **Indemnity Period** in consequence of **Damage** during the **Period of Insurance** to property other than as described in paragraph (e), above, the **Damage** occurring to property and in circumstances that would be indemnified under Section 1 Property Insurance if such property was **Property Insured**, unless specifically excepted in the Professional Services Benefits;
- (g) the Section 1 Conditions, Section 2 Conditions and Conditions for All Sections, as applicable; and
- (h) **You** bearing the applicable **Deductible** as shown in the **Schedule**. **Chubb** will subtract the **Deductible** from the amount **Chubb** is liable to pay for any claim.

1. Machinery Breakdown

1.1 This Machinery Breakdown cover is:

- (a) optional and subject to additional premium; and,
- (b) only provided where the **Schedule** shows a Sub-Limit of Liability for “Machinery Breakdown”.

1.2 **Chubb** will indemnify **You** for **Damage** during the **Period of Insurance** to **Machinery** occasioned by or happening through **Machinery Breakdown**, subject to:

- (a) the “Machinery Breakdown” Sub-Limit of Liability and Indemnity Period in the **Schedule**;
- (b) the Exclusions for All Sections, except Property Exclusion 17; and
- (c) the exclusions in clauses 1.3 and 1.4, immediately below.

1.3 This Machinery Breakdown cover does not insure **Damage** to the following property, or loss under Section 2 Business Interruption resulting therefrom:

- (a) any sewer piping, underground gas piping, piping forming part of any sprinkler system or water piping other than **Boiler** feed water piping, **Boiler** condensate return piping or water piping connecting to or used with an air-conditioning system;
- (b) any structure, foundation or setting (other than a bedplate) supporting or housing any **Machinery**, or the lining or fire wall of any unfired vessel;

- 10. Consequential loss directly arising from or caused by **Damage**, including consequential loss due to interruption or interference with the **Business**, loss of market, delay in or lack of performance of a contract or agreement (any claim will not be affected to the extent that **Chubb** or its agent cause or contribute to any delay), loss of contract or depreciation in the value of land or stock, except as provided in Section 1 Property Insurance and Section 2 Business Interruption and not exceeding the specified Limits of Liability and Sub-Limits of Liability in the **Schedule**.
- 11. **Pollution** except where directly arising from **Damage** to **Property Insured** used at the **Situation** for the purpose of the **Business**, and resulting from a peril or event not excluded by this **Policy**.
- 12. **Damage** to **Property Insured**, or any loss, liability, cost, expense or other sum directly or indirectly occasioned by or happening through or connected with:

- (a) any **Act of Terrorism**, regardless of any other cause or event contributing concurrently or in any other sequence to the loss; or
- (b) any action taken in controlling, preventing, suppressing or in any way relating to any **Act of Terrorism**;

notwithstanding any provision to the contrary within this **Policy** or any endorsement.

General Exclusions for All Sections

1. **Chubb** will not be deemed to provide cover and **Chubb** will not be liable to pay any claim or provide any benefit in this **Policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **Chubb**, or its parent(s), to any sanction, prohibition or restriction implemented pursuant to resolutions of the United Nations or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, Australia or United States of America.
2. This **Policy** does not insure any loss, damage, claim, cost, expense or other sum whatsoever, directly or indirectly arising out of, or in any way attributable or related to, connected with or occurring concurrently or in any sequence with:

2.1. a **Communicable Disease**; or

2.2. fear or threat (whether actual or perceived) of a **Communicable Disease**;

For the purposes of this exclusion, loss, damage, claim, cost, expense or other sum includes, but is not limited to, any cost to clean-up, detoxify, remove, monitor or test:

(a) for a **Communicable Disease**; or

(b) any **Property Insured** that is or may be affected by a **Communicable Disease**;

This exclusion applies notwithstanding any provision to the contrary within this **Policy**, and to all coverage extensions, additional coverages, exceptions to any exclusion and other coverage grant(s).

3. Notwithstanding any provision to the contrary within this **Policy** or any endorsement applied to it, this **Policy** excludes any:
 - (a) **Cyber Loss**;
 - (b) loss, **Damage**, liability, claim, cost, expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any **Data Processing Media** or **Data**, including any amount pertaining to the value of such **Data**, subject to the provisions of paragraph 3.2;

regardless of any other cause or event contributing concurrently or in any other sequence thereto.

- 3.1. Paragraph 3(a) does not apply where a **Computer System Incident** (other than one of the type described in paragraph (c) of the definition of **Computer System Incident** - which shall remain excluded by paragraph 3(a)) either:
 - (a) directly causes a fire or explosion, unless that **Computer System Incident** is caused by, contributed to by, resulting from, arising out of or in connection with a **Cyber Act** including, but not limited to, any action taken in controlling, preventing, suppressing or remediating any **Cyber Act**; or

- (b) is directly caused by a peril or event insured by this **Policy**, unless such peril or event is caused by, contributed to by, resulting from, arising out of or in connection with a **Cyber Act** including, but not limited to, any action taken in controlling, preventing, suppressing or remediating any **Cyber Act**;

provided that the indemnity available under clauses 3.1(a) and (b) above is limited to **Damage to Property Insured** that is owned by **You**, or operated by **You** and under **Your** control, and interruption of or interference with the **Business** at the **Situation** resulting therefrom as insured under the **Policy**.

- 3.2. Subject to all the terms, conditions, limitations and exclusions of this **Policy** or any endorsement applied to it, should **Data Processing Media** owned by **You**, or operated by **You** and under **Your** control, suffer **Damage** insured by this **Policy**, then this **Policy** will insure:
 - (a) the cost to repair or replace the **Data Processing Media** itself plus the costs of copying the **Data** from back-up or from originals of a previous generation. These costs will not include the costs of research and engineering or any costs of recreating, gathering or assembling the **Data**. If such **Data Processing Media** is not repaired, replaced or restored, the basis of valuation shall be the cost of the blank **Data Processing Media**. This **Policy** excludes any amount pertaining to the value of such **Data to You** or any other party, even if such **Data** cannot be recreated, gathered or assembled;
 - (b) loss as insured under the **Policy** resulting from interruption of or interference with the **Business** at the **Situation** occasioned by **Damage to Data Processing Media**. The indemnity period shall begin with the occurrence of the **Damage** and ends at the later of:
 - (i) the date that **Data Processing Media** is repaired, replaced or restored; or
 - (ii) the date that **Data** is copied to such **Data Processing Media** from back-up or from originals of a previous generation; or
 - (iii) the date that it is reasonably ascertained that **Data** cannot be copied from a back-up or from originals of a previous generation but in any case no longer than 48 hours from when the process of attempting to copy such **Data** began.
- 3.3. This **Policy** does not insure any **Damage** to any **Data Processing Media** used by **You**, but not either (a) owned by **You** or (b) operated by **You** and under **Your** control, or any consequential loss of any kind resulting therefrom, including consequential loss due to interruption or interference with the **Business**, delay, loss of market, lack of performance, loss of contract or depreciation in the value of land or stock.
- 3.4. In the event any portion of this exclusion is found to be invalid or unenforceable, the remainder is to remain in full force and effect.
- 3.5. To the extent that this exclusion conflicts, or is inconsistent, with any other provision in this **Policy** or any endorsement applied to it, the provisions in this exclusion prevail.
- 4. This **Policy** does not insure any **Electronic Data Recognition Loss**. Notwithstanding anything to the contrary, including but not limited to General Exclusion 3, any indemnity provided by General Exclusion 3 is subject to this General Exclusion 4.
- 5. This **Policy** does not insure any loss, **Damage**, liability, claim, cost or expense directly or indirectly arising out of, or in any way attributable or related to, connected with or occurring concurrently or in any sequence with any:
 - (a) entity domiciled, resident, located, incorporated, registered or established in an **Excluded Territory**;

- (b) property or asset located in an **Excluded Territory**; or
- (c) payment in an **Excluded Territory**.

Conditions for All Sections

1. Limits of Liability and Sub-Limits of Liability

- (a) **Chubb's** maximum liability under this **Policy** for any one loss or series of losses suffered by **You** arising out of any one original source or cause at any one **Situation** is limited to the amounts stated in the **Schedule** under "Limits of Liability" for "Section 1 Property Insurance and Section 2 Business Interruption Combined".
- (b) Each Sub-Limit of Liability will not increase **Chubb's** liability beyond the Limits of Liability. Sub-Limits of Liability form part of, and are not payable in addition to, the Limits of Liability.
- (c) The Limits of Liability and Sub-Limits of Liability apply in addition to, and are not reduced by, the amount of any **Deductible**.
- (d) Sub-Limits of Liability apply independently of each other, but where a Sub-Limit of Liability applies to:
 - (i) a peril, event or circumstance, which may be expressed as a Combined Section 1 Property Insurance and Section 2 Business Interruption Sub-Limit of Liability; or
 - (ii) **Property Insured**; or
 - (iii) the Special Damage Covers in clause 2.5 in Section 2 Business Interruption,such Sub-Limit of Liability is the maximum amount payable by **Chubb**. If more than one of the Sub-Limits of Liability in (i), (ii) and (iii) could apply, then the lowest Sub-Limit of Liability is the maximum amount payable by **Chubb**.
- (e) Notwithstanding paragraph (d)(ii), above, if **Damage** occurs to **Property Insured** and only part of that **Property Insured** is subject to a Sub-Limit of Liability, that Sub-Limit of Liability will only apply to that part of the **Property Insured**.
- (f) Examples of Sub-Limits of Liability and Limits of Liability –
 - (i) Example #1: Damage by Flood

Property Insured at the **Situation** is **Damaged by Flood**. In **Your Schedule**, **Flood** has a Section 1 Property Insurance and Section 2 Business Interruption Combined Limit of Liability of \$2,000,000. This means that the most **Chubb** will pay in respect of **Damage to Property Insured** and loss from interruption to **Your Business** is \$2,000,000. Any covers which are subject to Sub-Limits of Liability (for example, Removal of Debris, Landscaping and/or Claim Preparation Costs) must be paid within that \$2,000,000 Limit of Liability applying to **Flood** and are not payable in addition.

- (ii) Example #2: Damage to Utilities (for the 'Utilities' cover, see Special Damage Covers, clause 2.5 (b))

As a result of **Damage** to the premises of a coal-fired power station that supplies electricity to **Your Business**, which occurs in circumstances that are not excluded under Section 1 Property Insurance, **Your Business** is interrupted and sustains loss during the **Indemnity Period**. In **Your Schedule**, there is a sub-limit of liability of \$100,000 against "Utilities". This means that the most **Chubb** will pay in respect of this interruption is \$100,000. Any covers which are subject to Sub-Limits of Liability (for example, Additional Increase in Cost of Working and/or Claim Preparation Costs) must be paid within that \$100,000 and are not payable in addition.

- (iii) Example #3: Damage by Fire to Building with Money and Glass

At the **Situation**, a building that is **Property Insured** is **Damaged** by fire. Since fire is not subject to a Limit of Liability or Sub-Limit of Liability in **Your Schedule**, the most **Chubb** will

pay in respect of **Damage to Property Insured** and loss from interruption to **Your Business** is the amount in the **Schedule** under “Limit of Liability” for “Section 1 Property Insurance and Section 2 Business Interruption Combined”. For this example, say:

- a. the building contained \$20,000 of **Money**, but the **Schedule** shows a \$10,000 Sub-Limit of Liability for “Money”; and
- b. the reinstatement cost of the building’s glass is \$25,000, but the **Schedule** shows a \$20,000 Sub-Limit of Liability for “Glass”.

For **Your** claim, the amounts payable in respect of **Money** and glass will be limited to the amounts shown in the **Schedule**. Subject to the terms and conditions of this **Policy**, other Sub-Limits of Liability may be claimable (for example, for the Additional Costs in Section 1 Property Insurance), but **Chubb’s** liability will not exceed the “Limit of Liability” for “Section 1 Property Insurance and Section 2 Business Interruption Combined” in **Your Schedule**.

2. Acquired Property or Companies

This **Policy** extends to include:

- (a) property located in Australia acquired by **You** for the purpose of the **Business**;
- (b) property located in Australia belonging to an **Acquired Company**;
- (c) property located in Australia for which an **Acquired Company** is legally responsible or for which they have assumed responsibility to insure before any **Damage**, but excluding **Customers’ Goods**; and
- (d) any loss suffered by an **Acquired Company** which is the subject of indemnity under Section 2 Business Interruption of this **Policy**.

Provided that, within a reasonable period following the date of acquisition, **You** declare in writing to **Chubb**:

- (i) the name of the **Acquired Company** and nature of its **Business**;
- (ii) the nature and extent of the property to be insured;
- (iii) the values of such property and the indemnity to be provided, calculated in accordance with the relevant Basis of Settlement clauses; and
- (iv) must pay any additional premium reasonably required to cover the additional risk being insured and comply with any reasonable directions of **Chubb** with respect to the security or safety of that property.

All such property is **Property Insured** for the purpose of the Adjustment of Premium Condition and **You** shall make declarations with respect to it accordingly and with respect to the indemnity provided under Section 2 Business Interruption.

The indemnity for property insured under this Condition is limited to the “Acquired Property or Companies” Sub-Limit of Liability in the **Schedule**.

3. Adjustment of Premium

If the premium paid for this **Policy** was based on estimates of declared values provided by **You** of **Property Insured** and any of Items 1 to 4 under Section 2 Business Interruption at the start of the **Period of Insurance**, then **You** undertake to declare to **Chubb** within a reasonable time after the day of expiry of the **Period of Insurance**:

- (a) the value of the **Property Insured** on the day of expiry of the **Period of Insurance**. Where applicable, for the purpose of this declaration, stock in trade and merchandise is to be taken at its average value during the **Period of Insurance**; and
- (b) the amount applicable to Items 1 to 4 under Section 2 Business Interruption in accordance with the insurance provided during the **Period of Insurance**, for the accounting period of twelve (12) months most nearly concurrent with the **Period of Insurance** or appropriately increased if the **Indemnity Period** exceeds twelve (12) months.

The premium is to be adjusted by payment to **Chubb** of an additional premium or by allowance to **You** of a return premium, as the case may be, calculated at the premium rate that was applicable on the first day of the **Period of Insurance**, and adjusted to make allowance for any abnormal fluctuation in values and premium commensurate with the risk.

The declared values at the expiry of the **Period of Insurance** declared in accordance with this Condition are not to be reduced as a result of **Damage** in respect of which a claim has been paid or is payable under this **Policy**.

If any claim paid or payable under Section 1 Property Insurance or Section 2 Business Interruption of this **Policy** in respect of **Damage** occurring during the **Period of Insurance** is reduced due to under-insurance under Underinsurance Condition or average clause(s), **Chubb** will waive any additional premium for that **Period of Insurance**, which would otherwise be payable in accordance with this Condition.

4. Amount of Policy Not Reduced by Loss

The insurance under each Section and item of this **Policy**, including the **Indemnity Period**, will be automatically reinstated in the event of a loss if **You** pay a pro-rata additional premium calculated on the amount of the loss settlement at the rate(s) agreed for the **Period of Insurance**, if such premium is required by **Chubb**.

Automatic reinstatement does not apply in respect of any Limits of Liability or Sub-Limits of Liability stated in the **Schedule** to be in the annual aggregate during any one **Period of Insurance**.

5. Event

For the purpose of applying any **Deductible**, Limit of Liability or Sub-Limit of Liability, all **Damage** occurring during each period of seventy-two (72) consecutive hours and during the same **Period of Insurance** will be deemed to have been caused by a single event whether as a result of one or more causes, whether continuous or sporadic in its sweep or scope, and whether or not the **Damage** is due to the same seismic or meteorological or atmospheric disturbance. Each event will be deemed to have commenced on the first happening of any such **Damage**, not within the period of any previous event.

6. Goods & Services Tax

The premium charged for this **Policy** will include an amount on account of Goods & Services Tax (GST).

You must inform **Chubb** of the extent to which **You** are entitled to an input tax credit for the premium each time that a claim is made under this **Policy**. No payment will be made to **You** for any GST liability that **You** may acquire on the settlement of a claim if **You** have not informed **Chubb** of **Your** entitlement or correct entitlement to an input tax credit.

Notwithstanding other provisions of this **Policy**, **Chubb's** liability will be calculated taking into account:

- (a) any input tax credit to which **You** are entitled for any acquisition relevant to a claim, or to which **You** would have been entitled were **You** to have made a relevant acquisition; and
- (b) for claims for **Business** interruption only, the GST exclusive amount of any supply made by **Your Business** which is relevant to **Your** claim.

If the applicable Limit of Liability or Sub-Limit of Liability is not sufficient to cover **Your** loss, **Chubb** will only pay GST (less any relevant input tax credit) that relates to **Chubb's** proportion of **Your** loss. **Chubb** will pay the GST amount in addition to any Limit of Liability or Sub-Limit of Liability.

The terms "GST", "input tax credit", "acquisition" and "supply" as stated in this Condition have the meaning given in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth).

7. Incidental Contracts

You may, without prejudicing **Your** position under this **Policy**:

- (a) release any government departments, local government or any other statutory authorities from any liability if required by any contract to do so;
- (b) agree to enter into a contract for storage of goods or merchandise even if the terms of the contract include a disclaimer clause;
- (c) agree to enter into a lease for occupancy of any building or part of a building or a lease or hiring of property where the terms of the lease or hiring include a disclaimer clause in favour of the lessor or the owner; and
- (d) agree in the ordinary course of **Business** to enter into any other contractual agreement with another party, providing in substance that **You** will indemnify and hold harmless or release such other party from liability in respect of **Damage to Property Insured**. However, **You** must, as soon as reasonably practicable upon becoming aware of any such other agreement, inform **Chubb** and pay a reasonable additional premium if required by **Chubb**.

8. Subrogation Waiver

Chubb agrees to waive any rights and remedies or relief to which it may become entitled by subrogation against:

- (a) any **Insured** named or described by this **Policy** (including its directors, officers, employees or servants);
- (b) any corporation or organisation (including its directors, partners, officers, employees or servants) owned or controlled by **You** named in the **Schedule** or subsidiary to any **Insured** named in the **Schedule** or any co-owner of the **Property Insured**; or
- (c) any party described in the Interests of Other Parties Condition in Conditions Applicable to All Sections, unless **You** expressly agree to the pursuit of recovery action against that party.

9. Aggregation

- (a) Where the term “per event” or “any one event” is stated for any Limit of Liability or Sub-Limit of Liability, this represents **Chubb**’s maximum liability for any one event for all **Situations** combined; and
- (b) Where the term “Annual Aggregate” or “annual aggregate” is stated for any Limit of Liability or Sub-Limit of Liability, this represents **Chubb**’s maximum liability for any one event for all **Situations** combined and in the aggregate for the **Period of Insurance**.

10. Alterations and Increases in Risk

Before entering into or renewing this **Policy**, **Chubb** may ask **You** to disclose information about **Your Business** and the **Situation**, or to confirm whether any information **You** have previously disclosed has changed. The information **You** provide in response allows **Chubb** to determine whether **Chubb** can insure **You** and on what terms.

If **You** become aware, during the **Period of Insurance**, of alterations or changes in the information that **You** disclosed to **Chubb**, that **You** know, or could reasonably be expected to know, may be relevant to **Chubb**’s decision to insure **You** and on what terms, **You** shall inform **Chubb** as soon as reasonably practicable. Such alterations or changes include:

- (a) alterations or changes to **Your Business**. Examples for which **You** shall inform **Chubb** include:
 - (i) changes in the processes of manufacture;
 - (ii) storage, stockpiling or recycling of waste materials;
 - (iii) manufacturing, storage or distribution of combustible or incendiary materials;
 - (iv) preparing meals for the general public or serving alcohol; and
 - (v) chemical manufacture;
- (b) alterations or changes to **Property Insured**. Examples for which **You** shall inform **Chubb** include:
 - (i) discovery of combustible panels or cladding;
 - (ii) installation of solar panels, lithium-ion batteries or electric vehicle charging systems;
 - (iii) changes in occupancy;
 - (iv) discovery of defects (including structural or fire safety defects), faulty materials or **Faulty Workmanship**, or errors in designs, plans or specifications, including the incorrect siting of an insured building; and
 - (v) the presence of dilapidated buildings or structures;
- (c) alterations or changes to the **Situation**. Examples for which **You** shall inform **Chubb** include:
 - (i) **Subsidence**, earth movement, collapse or landslip;
 - (ii) discovery of hazardous activities occurring at or near the **Situation**; and
 - (iii) the discharge, overflow or leakage of waste and other liquids from any apparatus, appliance, pipes or other system at or near the **Situation**.

If **You** do not inform **Chubb** of such alterations or changes during the **Period of Insurance** then, to the extent permitted by law, any indemnity may be reduced to the extent that **Chubb's** interests have been prejudiced.

Depending on the nature of the alteration or change, **Chubb** may require payment of an additional premium, and may propose altered terms and conditions in writing, to cover the altered or changed risk. Otherwise, to the extent permitted by law, this **Policy** may be cancelled if:

- a. **You** and **Chubb** cannot reach an agreement on altered terms and conditions or premium; or
- b. **Chubb** is no longer prepared to insure **You** because of a material change in risk.

11. Sprinkler and Alarm Signal Installations

*Applicable to owned **Situations** or installations for which **You** are responsible.*

You warrant that any approved installation of automatic sprinklers, automatic external alarm signal and automatic alarm signal connected with a fire brigade station in all or part of the **Situation** must at all times be maintained in good working order.

You further warrant that provision will be made for the regular maintenance of the installation in accordance with Australian Standard AS 1851-2012 or its current equivalent by the installing engineers or firm or, failing this, by a person or organisation qualified to carry out such maintenance.

Where the sprinklered **Situation** is leased to a tenant and the lease provides that the tenant is to provide for maintenance of the installation, any failure to do so will not be treated as a failure by **You** to comply with this condition, provided that **You**, upon becoming aware of the failure, and as soon as reasonably practicable, either:

- (a) provides for maintenance of the installation; or
- (b) gives notice in writing to **Chubb** and if the risk of **Damage** is increased, pay such reasonable additional premium as **Chubb** may require to insure any additional risk.

Where **You** or a tenant responsible to provide for maintenance of the installation enters into an agreement for maintenance with a contractor and such agreement provides in substance that **You** or a tenant will indemnify or hold harmless or release from liability the contractor in respect of **Damage** which may occur as a result of any peril or event not excluded by this **Policy**, the insurance under this **Policy** will not be invalidated by **You** or the said tenant agreeing to such provision.

You will, upon becoming aware of such agreement, inform **Chubb** as soon as reasonably practicable and if the risk of **Damage** is increased specifically as a result of the entry into the contract, pay such reasonable additional premium as **Chubb** may require to insure any additional risk.

You will notify **Chubb** as soon as reasonably practicable of all planned or unplanned impairments to, or isolation of, the automatic sprinkler installations where such impairment or isolation is expected to exceed or has exceeded 24 hours and affecting more than ten percent (10%) of the insured building or structure.

12. Cancellation

- (a) This **Policy** may be cancelled at any time at **Your** request, in which case **Chubb** will be entitled to a pro rata proportion of the premium, subject to any adjustment in accordance with the Adjustment of Premium Condition, for the time this **Policy** has been in force.
- (b) **Chubb** may also cancel this **Policy** (to the extent permitted by the *Insurance Contracts Act 1984* (Cth)) by giving **You** written notice to the effect that:

- (i) **You** failed to comply with the duty of utmost good faith;
 - (ii) **You**, at the time when this **Policy** was entered into, failed to comply with the duty of disclosure;
 - (iii) **You**, at the time when this **Policy** was entered into, made a misrepresentation to **Chubb** during the negotiations for this **Policy** but before it was entered into;
 - (iv) **You** failed to comply with a provision of this **Policy**, including a provision with respect to the payment of the premium;
 - (v) **You** have made a fraudulent claim under this **Policy** or any other policy of insurance (whether with **Chubb** or some other insurer) that provided insurance cover during any part of the period during which this **Policy** provides insurance cover;
 - (vi) **You** failed to notify **Chubb** of any specific act or omission where such notification is required under the terms of this **Policy**; or
 - (vii) **You** acted in contravention of or omitted to act in compliance with any condition of this **Policy** which empowers **Chubb** to refuse to pay, or reduce its liability in respect of, a claim in the event of such contravention or omission.
- (c) **Chubb's** notice of cancellation takes effect at the earlier of the following times:
- (i) the time when another policy of insurance between **You** and **Chubb** or some other insurer, being a policy that is intended by **You** to replace this **Policy**, is entered into; or
 - (ii) 4:00pm on the thirtieth (30th) business day after the day on which notice was given to **You**.

If **Chubb** cancels this **Policy**, **Chubb** will refund **You** a pro rata proportion of the premium for the unexpired **Period of Insurance** from the date of cancellation.

13. Notification of Claims

On the discovery of any **Damage**, **You** shall:

- (a) give written notice to **Chubb** as soon as reasonably practicable and within thirty (30) days of the discovery such **Damage** or such further time as **Chubb** may in writing allow (such consent not to be unreasonably withheld), at **Your** own expense;
- (b) provide **Chubb** with a claim in writing containing as much detail as may be reasonably practicable of:
 - (i) the items of **Damaged Property Insured**;
 - (ii) the value of **Damage** having regard to their value at the time the **Damage** occurred;
 - (iii) the value of any claim under Section 2 Business Interruption of this **Policy**; and
 - (iv) details of any other insurances which may apply to the claim;
- (c) use due diligence and do and concur in doing all things reasonably practicable to minimise any interruption of or interference with the **Business** or to avoid or diminish the loss; and
- (d) provide **Chubb** with a statement in writing of any claim certified by **Your** auditor or accountant, with all particulars and details reasonably practicable of the loss and must produce and furnish all books of accounts and other business books, invoices, vouchers and all other documents, proofs, information, explanations and other evidence and facilities as may reasonably be required for investigation and verification of the claim together with (if reasonably required) a statutory declaration of the truth of the claim and of any matters connected with such claim.

14. Fraud

If any claim is in any respect fraudulent or if any fraudulent means or devices are used by **You** or anyone acting on **Your** behalf to obtain any benefit under this **Policy**, or if any **Damage** is occasioned by **Your** wilful act or with **Your** connivance, **Chubb**, without prejudice to any other right(s) **Chubb** might have under this **Policy**, will be entitled to refuse to pay such claim.

15. Reinstatement

If **Chubb** elects or becomes bound to reinstate any property, **You** will at **Your** own expense, produce and provide to **Chubb** all such plans, documents and information as **Chubb** may reasonably require.

Where **Chubb** is not able to reinstate exactly or completely (for example, if exact materials are no longer manufactured), **Chubb** will reinstate in a reasonable manner and will not in any case be bound to expend more than the applicable Limit of Liability.

16. Insurer's Rights

If **Damage** occurs and a claim is or may be made under this **Policy**, **Chubb** and persons authorised by **Chubb** may, for all reasonable purposes and in any reasonable manner, without incurring any liability under this **Policy**, and without diminishing the right of **Chubb** to rely upon any conditions of this **Policy**:

- (a) enter, take or keep possession of any building or premises where the **Damage** has happened; and
- (b) may take possession of or require to be delivered to **Chubb** any of the **Property Insured**; and
- (c) may keep possession of and deal with such **Property Insured** where reasonably required in connection with a claim or potential claim and the requirements of this **Policy**.

If **You** or anyone acting on **Your** behalf does not comply with the reasonable requirements of **Chubb** or hinders or obstructs **Chubb** in doing any of the abovementioned acts, then if permitted by the *Insurance Contracts Act 1984* (Cth), **Chubb** may be entitled to reduce its liability in respect of the claim or may be entitled to refuse to pay the claim under this **Policy**.

You will not, in any case, be entitled to abandon any property to **Chubb** whether taken possession of by **Chubb** or not.

17. Subrogation

- (a) Any person claiming under this **Policy** will, to the extent of their ability and at the request and at the expense of **Chubb**, do what is reasonably required by **Chubb** for the purpose of enforcing any rights and remedies, or of obtaining relief or indemnity from other parties (other than those subject of the Subrogation Waiver Condition) to which **Chubb** is or would become entitled or subrogated upon **Chubb** paying for or reinstating any **Damage** under this **Policy** or paying any amounts under Section 2 Business Interruption of this **Policy**.
- (b) Notwithstanding Section 67 of the *Insurance Contracts Act 1984* (Cth) the monies recovered in subrogation proceedings whether effected by **Chubb** or **You** are to be applied net of the expense of such recovery:
 - (i) first, to the satisfaction of **Your** loss in excess of the claim paid under this **Policy** (disregarding the amount of any **Deductible** applicable);

- (ii) second, to **Chubb** in reimbursement of the amount(s) paid in settlement of **Your** claim;
- (iii) third, to **You** in satisfaction of any **Deductible** applicable; and
- (iv) any excess amount remaining will be disbursed to **You**.

Nothing contained in this condition prevents **Chubb** and **You** entering into a specific subrogation agreement following a claim under this **Policy**, where both parties agree to share legal costs, expenses and the allocation of monies recovered on a different basis.

18. Precautions to Prevent Loss

You must take reasonably practicable precautions to prevent **Damage to Property Insured** including, but not limited to, complying with applicable laws, statutory obligations, by-laws, regulations or other public authority requirements that concern the safety of persons or property and/or undertaking routine maintenance and upkeep of the **Property Insured**.

19. Insured's Action After Theft, Wilful or Malicious Damage

You must, upon becoming aware of any loss by **Theft** or of any wilful or malicious **Damage** which may give rise to a claim under this **Policy**, report the matter to the police and any other responsible authority as soon as reasonably practicable.

20. Termination of Business Interruption Cover

If during any period in respect of which this **Policy** is in force, **You**:

- (a) permanently discontinue or cease to carry on the **Business** or if **Your** proprietary interest in the **Business** ceases otherwise than by death; or
- (b) (being a corporation) are placed in liquidation, provisional liquidation, under official management, under the control of a receiver and manager or if control over its assets is assumed by a receiver; or
- (c) (being a natural person) become bankrupt;

then the insurance under Section 2 Business Interruption will cease unless its continuance is admitted in writing by **Chubb**. Such termination of cover will not apply if any of the events stated in clauses (a), (b) or (c) are caused by loss, insured by Section 2 Business Interruption of this **Policy**, resulting from interruption of or interference with the **Business** in consequence of **Damage** to property used by **You** at the **Situation**.

21. Books of Account

Any particulars or details contained in **Your** books of account or other business books or documents which may be reasonably required by **Chubb** for the purpose of investigating or verifying any claim under this **Policy** may be produced and certified by **Your** auditors and their certificate will be accepted as evidence of the particulars and details to which such certificate relates.

If **You** do not comply with the terms and conditions of this **Policy**, then if permitted by the *Insurance Contracts Act 1984* (Cth), **Chubb** may be entitled to reduce its liability in respect of the claim to the extent that **Chubb's** interests are prejudiced or may be entitled to refuse to pay the claim under this **Policy**.

Progress payments will be deducted from the settlement amount finally determined upon adjustment of the claim.
