A. Rights o	of shareholders			
A.1 Basic shareholder rights			Y/N	Reference/ Source document
A.1.1(P)	Did the company fail or neglect to offer equal treatment for share repurchases to all shareholders?	OECD Principle II (A)	N	·
A.2	Shareholders, including institutional shareholders, should be allowed to consult with each other on issues concerning their basic shareholder rights as defined in the Principles, subject to exceptions to prevent abuse			
A.2.1(P)	Is there evidence of barriers that prevent shareholders from communicating or consulting with other shareholders?	OECD Principle II (G) Shareholders, including institutional shareholders, should be allowed to consult with each other on issues concerning their basic shareholder rights as defined in the Principles, subject to exceptions to prevent abuse.		
A.3	Right to participate effectively in and vote in general shareholders meeting and should be informed of the rules, including voting procedures, that govern general shareholders meeting.			
A.3.1(P)	Did the company include any additional and unannounced agenda item into the notice of AGM/EGM?	OECD Principle II (C) 2		
A.4	Capital structures and arrangements that enable certain shareholders to obtain a degree of control disproportionate to their equity ownership should be disclosed.			
	Did the company fail to disclose the existence of:	_		
A.4.1(P)	Shareholders agreement?	OECD Principle II (D)		
A.4.2(P)	Voting cap?		N	
A.4.3(P)	Multiple voting rights?		N	
A.5	Capital structures and arrangements that enable certain shareholders to obtain a degree of control disproportionate to their equity ownership should be disclosed.			

A.5.1(P)	Is a pyramid ownership structure and/or cross holding structure apparent?	OECD Principle II (D): Capital structures and arrangements that enable certain shareholders to obtain a degree of control disproportionate to their equity ownership should be disclosed.	
		Some capital structures allow a shareholder to exercise a degree of control over the corporation disproportionate to the shareholders' equity ownership in the company. Pyramid structures, cross shareholdings and shares with limited or multiple voting rights can be used to diminish the capability of noncontrolling shareholders to influence corporate policy.	

B. Equitable	e treatment of shareholders		
B.1	Insider trading and abusive self-dealing should be		
	prohibited.		
B.1.1(P)	Has there been any conviction of insider trading	OECD Principle III: The Equitable Treatment of	
	involving directors/commissioners, management and	Shareholders	
	employees in the past three years?	(B) Insider trading and abusive dealing should be	
		prohibited.	
		ICGN 3.5 Employee share dealing	
		Companies should have clear rules regarding any	
		trading by directors and employees in the company's	
		own securities. Among other issues, these must seek	
		to ensure individuals do not benefit from knowledge	
		which is not generally available to the market.	
		ICGN 8.5 Shareholder rights of action	
		Minority shareholders should be afforded	
		protection and remedies against abusive or oppressive	
		conduct.	
B.2	Protecting minority shareholders from abusive action		

B.2.1(P) Has there been any cases of non compliance with the laws, rules and regulations pertaining to significant or material related party transactions in the past three years? ICGN 2.11.1 Related party transactions Companies should have a process for reviewing and monitoring any related party transaction. A committee of independent directors should review significant related party transactions to determine whether they are in the best interests of the company and if so to determine what terms are fair. ICGN 2.11.2 Director conflicts of interest Companies should have a process for identifying and managing any conflicts of interest directors may have. If a director has an interest in a matter under consideration by the board, then the director should not participate in those discussions and the board should follow any further appropriate processes. Individual directors should be conscious of shareholder and public perceptions and seek to avoid situations where there might be an appearance of a conflict of interest.
