Technology risk and exposures

Technology companies face a broad range of first and third party risks as part of their day-to-day business activity. The graphic below groups these risks into five core PremierTech coverage categories:

- Technology Professional Liability
- Media Liability and Infringement of Intellectual Property
- Privacy and Network Security Liability
- Cyber Enterprise Risk Management
- Public and Product Liability

- Financial loss arising from a product or service performance failure, including cover for performance based contractual liability, liability assumed in contract and any other civil liability
- Infringement of intellectual property rights
- Media risk including libel and slander or disparaging statements about another companies products or services.
- Privacy and network security liability for failure to secure computer systems or preserve the confidentiality of personal or corporate data
- Regulatory investigations or enforcement proceedings expenses, payment card compliance matters and where insurable, a related fine or penalty.
- Third party notification, forensic remediation and regulatory costs incurred following a breach of your computers systems and data
- Reasonable and necessary expenses directly resulting from cyber extortion.
- Business interruption cover as a result of a cyber incident and costs or expenses incurred to remove malware and reconstruct data
- Bodily injury and property damage claims arising on your premises or out of the products and services you provide

- **Extensions to the policy include:**
 - Emergency claims defence expense
 - Return of amounts paid
 - Liquidated damages
 - Loss mitigation expenses
 - Loss of documents or data of others
 - Patent infringement contractual indemnities
 - Unpaid invoice amounts owed by a client
 - Inquiry defence costs
 - Emergency incident response expenses
 - Software betterment costs
 - Cyber crime
 - Telecom fraud
 - Product liability crisis response expenses
 - Property in your care custody and control
 - Product withdrawal expense
