## 2. Solutions focused

Our experienced staff take personal responsibility for your claim, empowered to seek creative solutions. In the majority of territories, claims are allocated to the same small team, ensuring familiarity and efficiency. Our long staff tenure means our claims handlers build long-term relationships with our customers, truly getting to know their business. Our claims handlers are empowered to take real ownership of their claims, often handling claims from start to finish.

## 3. Trusted to deliver

At Chubb, we are proud to have been consistently awarded Outstanding by the Gracechurch Service Quality Marque, as an insurer that excels in consistent service quality. We continually strive to improve our claims service by listening to our customers and their brokers and by driving improvements through genuine dialogue and feedback. We monitor our performance through customer feedback, surveys, complaints, compliments, awards, business partner and broker feedback, customer testimonials, and Q&A sessions.
