

CHUBB®

## Interested in reducing the severity of cyber incidents by 90% and saving on your cyber insurance policy?

Reduce cyber risk by combining Chubb's industry-leading cyber insurance with Arctic Wolf's Managed Detection and Response (MDR).

Arctic Wolf® MDR minimises cyber risk by combining proactive security controls that reduce the likelihood of a successful attack alongside detection and response capabilities that reduce the impact of incidents by 90%.<sup>1</sup>

By leveraging the world's largest security operations team for security posture hardening as well as 24x7 monitoring, your business will be able to detect, respond, and recover from a range of cyber threats.
