

PASSWORD MANAGEMENT FOR YOUR BUSINESS WITH DASHLANE

Weak, reused, or stolen passwords are the No. 1 cause of company data breaches.

THE BAD NEWS

62% of people across the world reuse the same password across multiple accounts.

Source: LastPass, 2022

THE GOOD NEWS

Chubb has partnered with Dashlane, an all-in-one password management service, so you can secure business credentials and sensitive data.

YOUR EXCLUSIVE OFFER

Chubb policyholders can...

Help protect up to
100 employees*
with the **Dashlane Team**
plan for free

or

Take 25% off[†]
Dashlane Business

Dashlane Team makes logging in and authentication safe and simple for your employees, but it doesn't have the advanced features of the Business plan.

With Dashlane Business, you get access to advanced security features, including SSO and SCIM.

*Offer available for the first year of purchase. Upon renewal, you will automatically qualify for a 25% discount on the professional plan of your choice.

[†]You may qualify for an additional discount depending on the number of seats you add.
