

Discover Chubb Xplore® on the Chubb Agent Mobile App

Chubb Xplore, a one-of-a-kind prospecting tool developed by Chubb, is designed to help agencies like yours discover new prospects and view Chubb's commercial appetite by SIC code and line of business.

The Chubb Xplore feature contains:

A search tool to identify appetite by business name

If you have a specific business that you'd like to market to Chubb, use the business lookup feature to see Chubb's appetite by product and industry. Save the business details to your favorites and share them with your team.

A prospect search by location and industry practice

Search for prospects near your office or in an area of interest from our database of 500,000+ commercial enterprises. You can filter your search by business description, industry, and revenue size. Click on individual prospects to see more about them and save or share for future reference.

Insights into Chubb's product appetite by SIC code

Just type in the desired industry code or description to see a list of our products by appetite.

Don't have time to sift through a long list of prospects?

Enable Push Notifications with your zip code and preferred industry practice and Chubb Xplore will deliver 3 new prospects to your device each week.
