

Chubb Risk Consulting

SERVICES FOR Law Firm Clients

In today’s complex legal environment, firms are facing new and emerging risks that impact their employees, intellectual property and bottom line. Aligning with an insurer that understands the unique risks faced by law firms is critical now more than ever. For 95% of the 200 largest U.S. law firms (by revenue), that means choosing Chubb.

[Chubb Risk Consulting](#) offers tools, resources, and specialization to provide solution-oriented products and services. We craft pragmatic solutions with our insureds and offer recommendations to help minimize loss potential. Employing a network of nearly 500 global risk engineers

and more than 120 risk specialists, with decades of experience, Chubb’s risk engineers take the time to understand each company to align service strategies with its business needs.

The [Chubb Risk Engineering Center](#) is fully equipped and staffed to deliver loss mitigation training across multiple lines of business and offers courses specifically tailored to address the unique risks faced by clients. Our Center is dedicated to providing advanced and collaborative educational resources, ensuring clients can access the latest tools and knowledge specifically designed to manage their risks effectively.

Examples of Success Stories

Large Law Firm

A large law firm, dissatisfied with their current insurance carrier due to servicing issues decided to explore other options. Chubb, having previously insured the firm for 14 years and maintaining a strong relationship with the firm's broker, was considered a strong contender. The firm was particularly impressed by Chubb's risk consulting services, which included hands-on, on-site training and flexible options like "train-the-trainer" and virtual sessions, showcasing Chubb's commitment to addressing the firm's challenges proactively.
