

Multinational Programmes

Crafting globally coordinated, locally compliant insurance solutions

In today's competitive business environment, companies of all sizes are expanding into new territories to drive growth. While these opportunities are promising, they also introduce a range of new risks.

Effectively navigating multinational insurance programmes can be complex, which is why you need an insurance partner with expertise in global compliance and risk management.

Customised multinational programmes and service

With a presence in 54 countries and territories, Chubb combines global reach and local expertise to meet your insurance needs across regions. Our team of underwriters and specialists designs customised multinational programmes tailored to your unique exposures, strategy, and legal requirements. We manage the intricacies of your insurance programme, and deliver consistent service to all your local subsidiaries, so you can focus on growing your business.

Technology that transforms multinational risk management

Powerful, comprehensive and transparent, Worldview®, our unique and award-winning web-based platform, provides real-time access to the status of your entire insurance programme. Available exclusively to Chubb clients and their brokers, Worldview® allows you to:

1. View programme and claims updates
2. Get copies of local policies and certificates
3. Access proprietary research tools
4. Configure alerts and reports; and more

Partner with Chubb on your multinational insurance and unlock your business' full potential.
